There shall be no training on the grounds of the AKC Scent Work trial, other than the designated warm-up area".

Spectator Area. Any person not handling a dog in the current class, or any person who has already completed their run in the class may choose to watch the search from the spectator area. Handlers may not watch other exhibitors from their class prior to their run except in the case of Handler Discrimination classes. No one outside the search area may assist the handler or disclose the location of the hide.

Indoor crating space is NOT available at this trial site. Please be prepared for the outside weather. **BUCKHORN VALLEY KENNEL CLUB, CONTINENTAL DIVIDE HERDING ASSOCIATION** and **BUCKEYE COMMUNITY CLUB** will not be responsible for any lost or damaged items left at the show site.

NOTICE TO EXHIBITORS

SAFETY, BEHAVIOR and LIABILITY

The safety of the dog is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all searches safely. **It is expressly understood** that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create an unnecessary disturbance or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the trial committee, be asked to leave the show site. In such case, no refund of any fees paid will be made. The American Kennel Club and its agents, employees, etc., will assume no responsibilities for any loss, damage or injury sustained by exhibitors or handlers, or to any of their dogs or property and further assumes no responsibility for injury to children. The American Kennel Club reserves the right to decline entries for cause and may remove any dog on account of aggression. No one shall have any recourse or claim against the American Kennel Club or any official thereof.

Collars, Leashes and Harnesses. During searches, dogs must wear a properly fitted collar or harness approved by the judge. A wearable camera such as a Go Pro may be mounted to the dog's harness, if desired. Leashes may be of any length and/or retractable. The leash should be made of plain, pliable material.

All dogs must be on leash at all times, and retractable leashes may not be used when on trial grounds (except during judged searches). Dogs must enter and exit the search area with the leash attached to the collar or harness, including when waiting in the search area before and after the search. An off-leash option may be offered at the discretion of the judge, only if the area is completely enclosed.

High in Trial

One High In Trial winner is chosen per difficulty level; there is no separate High In Trial for the Novice A and Novice B sections. The High in Trial is determined by adding the team's faults across the elements. If there is a tie based on faults, then the team's times across the elements will be summed and the faster-finishing team will win. The High in Trial award is not recorded by the AKC.

Teams winning High In Trial will earn a medallion.

High in Combined Division

If a club chooses to offer the High in Trial (HIT) award and is also offering Handler Discrimination classes, they must also confer the High Combined Division (HCD) awards. Only teams who participate in the same difficulty level in all elements plus Handler Discrimination, and qualify in each, are eligible to win High Combined Division. The High Combined Division award is determined by adding a team's faults across all classes. The team with the fewest faults will be declared the winner of the High Combined Division. The High Combined Division award is not recorded by the AKC.

Teams winning High Combined Division will earn a medallion.
